## Where do we go from here?

- PV2050 is here to help the community accomplish projects for which there is community support and project leaders.
- Please fill out an index card with the things you'd like to work on & how we can contact you. Let us know if you want a print copy of the survey result.
- We are holding "coffee talks" at Cornucopia Coffee Shop for 4 weeks so we can chat about your ideas, and answer your questions. We'll start February 15th, 10 to 11am. Check the chalkboard, website, & Community Calendar in the paper for future dates & times.
- We want to form groups of community members around areas of interest that PV 2050 can help in developing projects so please come talk to us, email us, check out the website.

**Thank you for being here and being a part of Pine Valley  
2050- Our community effort to build the community we  
want to see, now and into the future.**

**WE CANNOT DO IT WITHOUT YOU!**
