

Mission: “Working Together for a Vibrant Pine Valley Community”

“What we did.”

- Observed community needs and wants.
- Held community get-togethers.
- Secured grant funding and partnered with United Community Partners, Inc.
- Created an interactive website (pinevalley2050.org)
- Developed and circulated a survey
- Conducted Coffee Chats

“What we do.”

- Strive to continually listen to the community, to enable the process of community generated ideas becoming viable projects.
- With the Pine Valley Survey results and Coffee Chats, we organize and facilitate community gatherings to move ideas into actionable projects.

“The approach we take.”

- Collaboration, transparency, involvement, inclusion of a diversity of views.
- Constant dialogue and respect for a positive impact on the Pine Valley community for today and the future generations.
- Honor the heritage of Pine Valley.

- Change is constant.
- Never a failure, always a lesson.

“The difference we want to make.”

We have a dream for Pine Valley...

- That by working together, they will have stability for today and the future generations.
- To create an opportunity for economic vitality.
- That the people have the power to create a sustainable community.

“What we believe.”

- We believe...that successes come from including the entire Pine Valley community, adults and youth alike.
- We believe...a vibrant future comes from working together.
- We believe...Pine Valley has the people resources for success.
- We believe...that the Pine Valley community working together = SUCCESS !

“People want to feel connected to their community. People want a secure and stable future for their children. People want security to provide for themselves, their families and their friends through sustainable economic vitality.”
